

Dear prayer team,

Greetings in the name of Jesus. It has been quite cool lately in our city. We are enjoying the weather, much better than the hot and humid summers.

We want to thank all of you who have been a part of our support ministry. God has richly blessed us with your partnership in our ministry. Also, God has blessed us with many opportunities to share His love with many people.

Shiau Yan is a foreign worker here who is from Indonesia. She is a Muslim but has been reading her Bible every day since last December. She meets with Lily once a week to help her prepare for the Sunday worship. Shiau Yan participates in the nursing home ministry and the Wednesday night prayer meeting. She is slowly picking up Chinese. Pray for her heart to be touched by the Holy Spirit. In the attachment is a picture of Shiau Yan.

February is our mission month at our church. Al will be sharing about his mission trip to Cambodia. Keith Simpson from are Holland FMC in Ohio will be sharing on Feb.19th about mission work coming out of their church. Pray for our people to be receptive to the Lord's mission field.

Thank you for your payers for our youth. We are working on some team building within the group. In January we did an activity where they have to work together. The activity was to walk about ten yards down a path filled with tacks. They had to do it bare foot and blindfolded. What they had to do is let the rest of the group tell them where to step. No one got hurt. In the attachment is a picture of Vincent walking on the path and the rest of the group guiding him.

We enjoyed some good family time during the Chinese New Year holiday. We spent some time at home and spent two days with Lily's family in the northern part of Taiwan. Pray for Lily's family. Her younger brother attends church regularly but her sisters and their families don't attend church at all. In the attachment is a picture of the whole family walking around a university campus.

We pray for you often and would like to pray more effectively for you. If you have a concern, please let us know how we can pray. May God bless you.

Joyfully serving in Taiwan,

Tim and Lily
